OPEN COUNTRY YOUTH TEAM CHALLENGE

Hot Shotz pulled a convincing win together in the Open Country Youth Team Challenge at the New Zealand Dairy Event (NZDE) this afternoon.

Judged by Simon Tognola (Australia) and Cole Yuill (Canada) the next generation got a taste of what it's like to have professional fitters assessing their work. Tognola said he was impressed with the clipping jobs, saying their work appeared to be a little more finished than their Australian counterparts. He acknowledged the quality of hair on the New Zealand heifers, saying the more temperate climate may have helped complete that mission.
