# BIG PICTURE MANAGEMENT

SEMEX SOLUTIONS MAKE GENETIC DECISIONS EASY

The number of decisions you're factoring into genetic planning and breeding selection is only growing more complex. To keep up with the pace of genetic gain, a herd needs to be doing more than purchasing the right sires and Semex is ready to help you do it!

- 3:30pm Intermediate Interbreed Champion (Intermediate Champions from each breed)
- 3:45pm Senior Interbreed Champion (Senior Champions from each breed)
- 4:00pm Supreme Interbreed Champion (Junior, Intermediate, Senior Interbreed Champions)

# COMMITTEE WELCOME

It is with great pleasure that The New Zealand Dairy Event Committee extends a warm welcome to all to the 2024 NZ Dairy Event. It's fantastic to see exhibitors and sponsors who have supported this event annually since its inception in 2009, again showing and/or sponsoring this event for 15 years in 2024. Equally as exciting is the new exhibitors and sponsors that are attending this prestigious event for their first time in 2024.

The 2024 event is on track for another amazing show with our revised format in relation to the youth show and interbreed show. It's a great pleasure to see the passion and excitement that all exhibitors have for showing their animals and places this event in a great position for its continuation into the future.

It is obvious from entries across New Zealand that the NZDE is held in very high regard amongst our stud breeders. A warm welcome and a big thank you to all exhibitors that have supported this event throughout the years and a special welcome to all those who are here for the first time.

The NZDE would not be possible without the huge support from our sponsors, a special thank you to those who have been on board since day one and have continued their support. Thank you to our Gold Sponsors Semex NZ and Allflex NZ along with our Silver Sponsor's Holstein Friesian New Zealand and FMG for your continued support and we welcome our new silver sponsor Vytelle New Zealand to the event. To all our other sponsors we understand and value

the commitment that you have made to this event being a success for all involved. The Committee encourages you as breeders and farmers to support our sponsors wherever you can and during the event speak to them about new products or services that are on offer to support your business. Like previous years the NZDE will host the Summer Sensation Sale and we are grateful for Carrfields Livestock to be conducting this sale again in 2024 and thank those vendors and intending purchasers for your support with this sale as it contributes to the financial success of the event.

To our Judges who have travelled from overseas we thank you for taking time out of your busy lives to attend this event and judge the cream of New Zealand Dairy cattle. Having international judges certainly adds to the prestige of the event. We do hope that you enjoy your stay and take home some memorable everlasting impressions of New Zealand dairy cattle, the NZDE and of our beautiful country. To the participating New Zealand Judges, many thanks for the giving of your time to this event.

The 2024 New Zealand Dairy Event Show is a must for all dairy farmers and breed enthusiasts to attend, whether by exhibiting or just visiting, you will be able to witness the best dairy cattle that New Zealand has on offer, and we strongly encourage you to make time to attend this event in January 2024.

**NZ Dairy Event Committee.**

## **SUZE REDMAYNE**

Member of Parliament for Rangitīkei

**Welcome to Feilding – the heart of the Rangitīkei - for the 2024 New Zealand Dairy Event.**

We are proud to be hosting the very best cattle from all around New Zealand.

The Manfeild Agri-Centre facilities in Feilding are outstanding - without doubt the best in the Southern Hemisphere for exhibiting cattle. A perfect setting to showcase New Zealand's top cows at this year's New Zealand Dairy Event.

I appreciate the thousands of hours of organisation and planning involved for an event of this scale to proceed. Thank you to all those who have played a part in making it happen, especially the NZDE Committee, all of whom are volunteers. Thank you too to all the exhibitors and judges – and of course the sponsors.

I am looking forward to attending this year's New Zealand Dairy Event as the Member of Parliament for Rangitīkei. It is important to see and celebrate the best of the best in our dairy industry - an industry which contributes over \$19b annually to the New Zealand economy and employs over 50,000 people.

The dairy industry has proven itself to be a progressive one with a sustainability focus, for which advances in breeding and farm systems are delivering value. I also applaud the New Zealand Dairy Event's commitment to focussing on young people involved in farming. As we all know – they are the future of our industry.

This year's showcase looks set to be the best yet. We are all in for a great few days - I look forward to seeing you there.

Best regards

A handwritten signature in black ink, appearing to read 'Suze'.

# MAYOR'S WELCOME

A very warm welcome to Manfeild and 'friendly Feilding' - NZ's Most Beautiful Town having won this award 16 times and as a region – the Manawatu, we are fast becoming known as the agri business hub of New Zealand

We are growing, unlike many other rural areas in NZ. We are attracting more and more people to live, work, shop and visit in Feilding and our surrounding vibrant villages.

The Manawatu District has a population of the district is over 33,000 and covers an area of 253,000 hectares. Feilding with a population of around 18,000 is a strong rural servicing and agri business town for the surrounding highly productive farming district.

Our livestock selling centre (Feilding Saleyards), the largest in New Zealand and the Southern Hemisphere saleyards are located within one hundred metres of the town centre. Our weekly Farmers Market is held every Friday rain, hail or shine (and we have had all of those) in the heart of Feilding's town centre has won the NZ Farmer's Market of the Year award 3 times and hosted Prince Charles and Camilla in 2012.

Our local economy continues to outperform because our strengths are the primary sector, food production, agri business, agri tech and the Ohakea Airforce Base, which is located in our District. There is around \$8B worth of new infrastructure projects happening in the Manawatu region over the next 10 years.

The agri-food sector is the largest industry in our district, with dairy farming our largest primary industry. This industry is crucial to our economic prosperity as global demand for quality agri-food products produced in the district and wider region has proved somewhat resilient, amongst the unprecedented shock to the global economy and lets hope that this continues.

Combine this with our region's world-class food research capability, the quality and reputation of our products and our homegrown innovation will continue to support the strength of our local agri-food industry, while further building our brand on the world stage.

So it is in this economic environment that it is great to see the NZ Dairy Event back here at Manfeild. Nothing beats coming together in person, showcasing and inspecting the animals up close and most of all reconnecting with each other.

I congratulate the organisers and the sponsors for bringing this event together and good luck to all the breeders and participants.

If you are a visitor to our District and region, I hope you take some time out to enjoy what we have to offer and experience first hand our warm friendly hospitality in 'friendly Feilding'.

Regards

**Mayor Helen Worboys**

# JUDGES

Profiles supplied by Mud Media.

*The NZDE Management Committee is proud to announce the judges for the 2024 All New Zealand Show. Their industry expertise, reputation and knowledge of cattle will provide for spectacular viewing. For the 2024 event we have judges coming from the USA, The Netherlands, Australia and New Zealand. Once again the All New Zealand Show will have associate judges in the Jersey, Ayrshire and Holstein Friesian sections.*

## NZ DAIRY EVENT SEMEX ALL NEW ZEALAND YOUTH SHOW | KATE CUMMINGS

Fresh from being the highest placed New Zealander at the European Young Breeders School in Belgium, Kate Cummings takes another step forward at this year's NZDE.

The Southlander – who finished sixth in the handler's class, and third in the heifer conformation class at the Belgium event – is the daughter of Helen and Jock Cummings, who own and operate Maylan Holsteins. Kate also runs her own prefix, Maylea Holsteins, within her parent's herd.

Graduating with a Bachelor of Agricultural Science at Lincoln University (with a focus on ruminant health and nutrition) Kate is the West Retail Lead (with a team of 12 staff under her) at juggernaut Southland veterinarian clinic, Vetsouth. Vetsouth, which also edges into Otago, employs more than 100 staff across the entire business.

Kate has always been passionate about exhibiting stock – a genetic baton that has been passed down the Cumming's family tree since 1940. Together with her two brothers, Darren and Clint, the trio are fourth generation farmers.

She won the Pitcairns Trophy Holstein Friesian Junior Judging Competition at age 17, allowing her to travel to the Sydney Royal Easter Show in New South Wales. Kate became a senior Holstein judge at the age of 19, and has judged a range of

Kate Cummings. Photo: Guillaume Moy

shows across New Zealand. She has been the head judge of the national young farmers stock judging final, and this year she was part of the judging panel for the Holstein Friesian NZ DeLaval All New Zealand photo competition.

## NZ DAIRY EVENT AYRSHIRE BREED ALL NEW ZEALAND SHOW | BRIAN BEHNKE

Brian Behnke.

Well-known US cowman Brian Behnke comes to New Zealand with deep judging experience at the highest levels globally.

He has attended every World Dairy Expo (WDE) in Madison for 56 years – judging there three times (Milking Shorthorn in 2018, Guernseys in 2016, and Red & White Holsteins in 2005). He has also judged the Western Spring National and Wisconsin State Fair, the Canadian Scotia 4-H Classic, the US National Guernsey Show in Louisville, Australia's International Dairy Week, in addition to shows in South Korea, Japan, the Netherlands, the Dominican Republic and Columbia.

Brian and his wife, Tami, live in Brooklyn, Wisconsin. They are active on Tami's family farm, Glenn-Ann Holsteins LLC – the 2016 National

Herd of Excellence award winner from Holstein USA. Brian also works off-farm at ABS Global – managing St. Jacobs product line.

After graduating from Madison's University of Wisconsin, Brian and Tami moved to Washington for 12 years before returning to Wisconsin. During that time, Brian worked as a sire analyst for Landmark Genetics, a herdsman at Roylean Registered Holsteins, and he was herd manager at Wilcoxview Holsteins. He has worked in AI since 2003, as a salesman, regional manager, and analyst for Semex, before taking his current role as ABS/St. Jacobs business manager in 2016.

Brian is looking forward to reconnecting with his industry friends and colleagues in New Zealand.

## NZ DAIRY EVENT COMBINED BREEDS ALL NEW ZEALAND SHOW | JAMIE TAYLOR

Jamie Taylor.

Born and bred in Taranaki, Jamie Taylor, was inspired from a young age by his parents, Wayne and Leeanne (Muritai Holsteins).

Today, it is a third generation which helps sustain the family's passion for registered cattle. Jamie and his partner, Donna, have three children Paige, 17, and twins Zach and Lacie, 12.

The family lives in Auroa, and Jamie and Donna are in their 12th season as 50/50 sharemilkers for a herd of 320 cows that include Holsteins, Jerseys, and Brown Swiss. A number of the cow families within the Holstein portion of the herd trace back to Muritai bloodlines. The Jerseys stem from the well-known stud of Te Awhata, owned by Barry and Deidre Tippett.

Their Brown Swiss cows came from smart buys from Tony Buehler (Thurvalley) and Clinton Oliver (Blacolive Brown Swiss).

"We have had great times and made a lot of lifelong friends through the industry, and showing cattle is a great way for our whole family to be involved," Jamie said.

Jamie is a senior judge for both Holstein and Jerseys, and he has travelled throughout New Zealand officiating at shows. The president of the Taranaki Holstein branch says he is looking forward to rubbing shoulders with the other judges at the NZDE.

## NZ DAIRY EVENT HOLSTEIN FRIESIAN BREED ALL NEW ZEALAND SHOW | NICO BONS

Well-known Dutch Holstein breeder Nico Bons has judged more than 150 shows in the Netherlands, and his international resume includes Belgium, Finland, Sweden, Denmark, Spain, France, Russia, Czech Republic, Japan, Ireland, and the UK.

Nico and his wife, Lianne, milk 65 cows and have 60 head of young stock at Ottoland, a village in South Holland which is about 15km northwest of Gorinchem.

The herd has been 100% homebred for more than six decades with an average 305-day average production of 10,800kg milk, 4.4% milkfat and 3.5% protein. Bons-Holsteins includes 36 EX cows with an average herd score (including two-year-olds) of VG89.5 points. Three homebred cows have scored EX94 points [Bons-Holsteins Koba 191 (x Jasper), Bons-Holsteins Ella 158 (x Mailing) and Bons-Holsteins Koba 219 (x Lauthority)].

Bons-Holsteins has won a number of Dutch and international titles and Nico's driving passion remains to own and show the Grand Champion of the Open European Holstein show.

Nico Bons. Photo: Maria Kelly.

## NZ DAIRY EVENT JERSEY BREED ALL NEW ZEALAND SHOW | SIMON TOGNOLA

Former cattle fitter Simon Tognola was born in North Queensland, and since then cows have taken him all over the world, including into New Zealand several times.

His love of the dairy industry was honed on his grandfather's registered Illawarra herd where he spent every school holiday. By 2010 he was clipping cows regularly, and in 2012 he was involved in helping prepare the first Jersey to win Supreme Champion at IDW – Willowdell Astound Fancy 512. In 2014 he started working with Bluechip Genetics in northern Victoria, which extended his complete knowledge of show cow management, and gave him important exposure to Bluechip's international connections.

Simon has lived in Canada briefly and fitted cattle for some of the country's best breeders, who he now counts as close friends. He has co-owned Holsteins, Jerseys, Illawarras, and Ayrshires.

He has successfully blended cattle photography and videography into his cattle marketing portfolio, Simon Tognola Livestock Promotions.

In 2023 he took a step back from fulltime fitting and promotion to work with ST Genetics as an area sales manager, servicing Northern Victoria.

Simon is on Australia's Holstein and Jersey official senior judging lists, having judged multiple on-farm challenges and shows within Australia. His most recent appointments include being on the panel which judged the Australian Cow of the Year, and in late September he judged the youth show at the NSW Jersey Show, at Camden.

Simon Tognola. Photo: Brooke Somerville.

## NZ DAIRY EVENT HOLSTEIN FRIESIAN BREED ALL NEW ZEALAND SHOW ASSOCIATE JUDGE JOSH NORTON

Josh grew up showing cows with his grandfather, Gordon Stewart, and his uncle, Graham, of the well-known Cresslands Farms, in Canterbury.

After completing his Batchelor of AgScience (first class honours) at Lincoln University he moved to Australia with his wife, Chelsea, to take a herdsman position at one of Australia's premier show herds, Avonlea Holsteins, for three years. There, he was heavily involved in preparing Avonlea's show team in the lead-in to the two biggest shows in Australia – International Dairy Week and the Victorian Winter Fair. He credits the time working alongside Avonlea's John Gardiner as a valuable learning curve regarding breeding, developing, and showing cows. Josh and Chelsea then travelled to Canada and the US – working in Canada learning a different way of farming – with the same goal of breeding great cows. They returned to Cresslands Farms for the next three years, continuing to develop their knowledge and starting to grow their own herd. They are currently lower order sharemilking for Tahora Holsteins for Dean and Jo Geddes. They own 140 head under the Springoaks prefix, with 90 milking at Tahora. They include families they have sourced from Australia, Canada, and New Zealand. A highlight has been breeding the Champion Holstein at the 2023 Brisbane Royal, Springoaks Doc Fay (owned by Paulger family – Adadale Jerseys & Holsteins at Kenilworth). Josh and Chelsea have a two-year-old son, Charlie, and a six-month-old daughter, Claire.

## NZ DAIRY EVENT JERSEY BREED ALL NEW ZEALAND SHOW ASSOCIATE JUDGE SUSANNA BOOTH

Susanna and her husband, Mike, together with their children Briar, Bella and Ruby dairy farm in Waipapa, Northland – milking 480 pedigree Jerseys and Ayrshires under the prefix – Thornton Park Jerseys and Ayrshires.

Susanna was brought up on a registered Jersey farm, Merrifields Jerseys, owned by her parents, Richard and Joy Gibson. From a young age she was involved showing cattle, and she has progressed through many of the junior events at the NZDE. Susanna is a registered Jersey NZ judge. She has exhibited at the NZDE, but she is looking forward to seeing the cattle from a different angle this year.

# GENERAL RULES & NOTICES

To be run under the Rules of the Manawatu A&P Association Show Rules and Regulations. [www.ras.org.nz/wp-content/uploads/2013/06/Showing-Rules-Regulations-2015.pdf](http://www.ras.org.nz/wp-content/uploads/2013/06/Showing-Rules-Regulations-2015.pdf)

## YOUTH SHOW

1. Youth Exhibitors must be aged under 18 years as at the 01/01/2024. All animals entered in the Youth Section are eligible to be shown in their respective Breed's and the Interbreed Sections and must be entered and led by the Youth Exhibitor in all the sections.
2. Handlers Classes: Only calves and yearlings are to be used, also the same animal cannot be used by more than one exhibitor/handler.
3. Team Challenge: This event is for non-professionals; in this context a professional is a person that travels from or to other countries to prepare cattle for sale or shows and is paid for his/her services.

## ALL NZ SHOW

1. The one Entry fee per animal automatically enters that animal in all classes it is eligible for:
  - a. Age Group, Best Udder and Interbreeds.
  - b. Respective Age and Best Udder classes.
2. The NZ Dairy Event Management Committee reserves the right to amalgamate classes with insufficient entries or extend classes with very large entries, any decision made by the committee will be final.

## LATE ENTRIES

**May be accepted.** Acceptance will be at the discretion of the NZ Dairy Event Management Committee.

1. All accepted late entries will be subject to a late entry fee of Class entry fee + 50% ie. \$30 + 50%, Total \$45.
2. Replacement within a class is permitted but between classes is not permitted.

## SUBSTITUTES

These will only be accepted for cattle in the same breed and same aged class.

## CLIPPING FRAMES

1. These are permitted, there is a charge of \$100 + GST for a frame site/per frame and the frame will be situated next to your cattle.
2. Clipping space must be booked and paid for on the entry form. If not booked and paid for at time of entry no frame will be permitted to be erected.
3. To be fair to all exhibitors, clipping frames must be erected in the space allocated by the committee, not where the exhibitor thinks it should be.

4. A limit of 2 clipping frames per isle.

## STRAW /BEDDING

1. Each isle will be allocated sawdust.
2. Sawdust is available for bedding; however, straw can be used at exhibitor's own cost.
3. Sponsor Farm Source (Ph: 06 323 9146) will have shavings available at exhibitor's own cost.

## EARLY ARRIVING CATTLE

Exhibitors that are travelling extreme distances will be permitted to enter Manfeild early by approval from Lawrence Satherley Ph: 06 325 8354 or Chief Steward Jamie Cunningham 027 583 3533 Contact must be made to either Lawrence or Jamie with day & time of arrival for approval. All other exhibitors will be able to enter Manfeild on Monday the 22nd of January 2024.

## RULES

1. Any alteration of conformation of cattle as per the Manawatu A & P Assn rules will be considered malpractice and could be disqualified from the Event.
2. It is expected all exhibitors will always keep their stalls clean and tidy and encourage those that want to dress up their stalls please do so.
3. All rubbish is to be placed in the rubbish bins provided and all cattle waste, saw-dust, shavings etc. to be placed in the allocated/signed areas.
4. Exhibitors are asked to NOT bring large bales of baleage inside the stadium.
5. No dogs allowed in the stadium, day, or night.
6. Unacceptable behavior, drunkenness & under-age drinking will not be permitted. Alcohol is not to be visible to the public.
7. As a Manfeild requirement there is to be NO GLASSWARE/GLASS BOTTLES on the premises.
8. These are magnificent facilities; with the level of visitors, we need to keep our image at all time's first class! ***"Failure to respect the facility could jeopardize our event for the future."***

## BY-LAWS

1. All cattle in the breed sections must be entered in the name of the bona-fide owner.
2. The date of birth of all breeding cattle must be stated at the time of entry.
3. The age of cattle shall be computed as of 1st June. NB: As the age of all cattle is determined from the 1st of June in each year, all animals shall be deemed to be one year older on this date.

- All cattle entered in the Breed and Youth classes, if one-year-old or over, must be entered in the recognized Herd Book of the breed concerned. If under one year of age, they must be eligible for entry.

### TB TESTING & NAIT REQUIREMENTS

- All cattle including calves & yearlings entered for this Show must be from a TB free and Accredited herd and tested within the Opsri Regulations of your region.
- Cattle from a TB free and accredited herd within a declared movement control area must be tested and passed within 60 days of movement. A copy of the test certificate must accompany all Animals.
- Checks will be made for TB declaration cards on stock arrival.
- A NAIT approved RFID tag is mandatory for all movements of cattle, including calves. NAIT regulations for ear tagging is one registered NAIT tag per animal for animals 30 days or older.
- It is the exhibitors' responsibility to record all animal movements with NAIT 48 hours prior to leaving the farm/property for the Event and then within 48 hours of returning to the farm/property from the Event.
- The animals must be transferred to the (Manawatu A & P NAIT number - 443920) for the event.
- ALL cattle must have Animal Health Board or Birth ID Tags.
- The Committee will inspect, animal identification to establish TB and NAIT status.

### STALLING OF ENTRIES

- In the event of catalogued entries not being exhibited at the Show, the Chief Steward shall have the right to re-allocate such stall spaces.

- Feed receptacles will not be provided in the Dairy Pavilion.
- Exhibitors wishing to feed meal or dry stock foods should bring suitable containers with them.
- Hoses will be located at the end of each row in the Pavilion.
- The Chief Steward along with the NZ Dairy Event Committee has the right to ask any exhibitor to leave the event if they fail to comply with the rules of both the NZ Dairy Event and Manfeild Park.

### HEALTH AND SAFETY

- All exhibitors and visitors are expected to comply with the Health and Safety Act 2015.
- All exhibitors and visitors are expected to comply with the any National Health regulations at the time of the event.
- A shed meeting will be held at the start of the event to outline evacuation procedures. In the event of an emergency, exhibitors are asked to follow the instructions of NZDE Committee members and Manfeild staff.
- Exhibitors will be asked for their Current First Aid certification (if they have it) on the Entry Form. This will assist with the Health & Safety aspects at the event.
- Electrical equipment must be approved for use by a registered electrician and carry an 'Electrical Safety Test label' valid for the period of the event. NZDE Committee strongly advises that to avoid disappointment exhibitors get electrical equipment tested before arriving.

### SHED MEETINGS:

- A shed meeting will be held at 8.30am each morning.
- Attendance from all exhibitors and supporters is compulsory at these meetings.

# CODE OF PRACTICE

The NZDE Management Committee have determined the following Codes of Practice under the rules of The Royal Agricultural Society (RAS). [www.nzholstein.org.nz/wp-content/uploads/2023/09/Final-RAS-Dairy-Cattle-Show-Code-of-Ethics-Updated-June-2023.pdf](http://www.nzholstein.org.nz/wp-content/uploads/2023/09/Final-RAS-Dairy-Cattle-Show-Code-of-Ethics-Updated-June-2023.pdf)

We strongly advise the RAS Dairy Cattle Show Code of Ethics - Exhibitor Declaration Treatment Form June 2023 form be printed off and put into exhibitors show boxes to fill out when needed. [www.nzholstein.org.nz/wp-content/uploads/2023/10/RAS-Dairy-Cattle-Show-Code-of-Ethics-Exhibitor-Declaration-Treatment-Form-June-2023.pdf](http://www.nzholstein.org.nz/wp-content/uploads/2023/10/RAS-Dairy-Cattle-Show-Code-of-Ethics-Exhibitor-Declaration-Treatment-Form-June-2023.pdf)

We advise all exhibitors to also carry a copy of their Vets RVM in there show box.

The showing of registered pedigree cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of the New Zealand Dairy Event to stimulate and sustain interest in breeding registered pedigree cattle. This relates to both spectators and exhibitors. In this connection, the Management Committee of the New Zealand Dairy Event (NZDE) believes that it is in the best interests of the breeders of registered pedigree cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring.

NZDE recognizes that there are certain practices in the proper care and management of dairy cattle that are necessary while moving dairy cattle to and between shows that is advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the handling and presentation of cattle in the show ring that are unacceptable.

In keeping with the basic philosophy of the New Zealand Dairy Event, ethics are an individual responsibility of the owner of each animal shown. Violations of these policies are subject to the disciplinary action of the NZDE's Rules.

The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the showing of registered pedigree cattle.

- Misrepresenting the age and/or milking status of the animal for the class in which it is entered/shown.
- Treating the animal, particularly the udder, internally or externally with an irritant or counterirritant.
- Surgery or Insertion of foreign matter under the skin, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
- Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the animal's breed or the NZDE All NZ Show
- While all milking animals must be subject to examination, the judge/s will be instructed to closely examine the top five animals for any form of tampering requiring discrimination or disqualification.
- The following is considered to detract from the image of the show ring when carried to excess and will be given slight to serious discrimination in placing animals within a class.

This would be seen as unsportsmanlike conduct on the part of the show person.

# FUTURITY CLASSES

**Judge: Gordon Fullerton, Hamilton New Zealand**

## RULES FOR FUTURITY CLASSES

*Futurity classes will be run under the General Rules of the Dairy Cattle Sections governed by both Waikato A & P Show and New Zealand Dairy Event.*

*In addition to the General rules governed by both Waikato A & P Show and New Zealand Dairy Event the following rules shall apply to calf, yearling heifer and 2 year old in milk Futurity classes.*

1. Only heifer calves born from the 1st June 2022 purchased at the Next Generation Sale or the Summer Sensation Sale are eligible to enter.
2. A one off entry fee of \$100 per animal is to be paid by the purchaser at the time of the Next Generation Sale or the Summer Sensation Sale. (Revenue generated from the sale of Futurity Lots and any additional money from donors received on the day of the Next Generation Sale or Summer Sensation Sale will be held secure in a BNZ term deposit. Final 2 year old in milk Futurity classes will be held in October 2024 at Waikato A & P Show & January 2025 at NZ Dairy Event. The monies generated at the Next Generation Sale in 2022 and the sale of Futurity Lots at the Summer Sensation Sale 2024 will become the prize pool for the in milk 2 year old Futurity classes. The prize pool will be equally divided between Waikato A & P Show and New Zealand Dairy Event.)
3. All in milk 2 year olds exhibited in the 2 year old in milk Futurity class will receive a percentage of the prize pool. Allocated percentages of winnings in order of placing.
4. Whereby calf and yearling Futurity classes have been sponsored then the sponsored prizes/monies shall be paid to the said class.
5. Whereby calf and yearling classes have been sponsored by the Breed Associations in the form of cash or prize of any kind payable to the youth handler, then that cash or prize shall remain the property of the youth handler it has been awarded to.
6. Ribbons will be placed 1st – 6th for Futurity calf, yearling and 2 year old in milk classes.
7. All calves, yearling's and in milk 2 year olds must be paraded by persons who were aged 25 years and under on the day the animal was purchased as a calf at the Next Generation Sale or the Summer Sensation Sale.
8. Failing the nominated youth handler being unable to exhibit the calf, yearling or in milk 2 year old, another youth handler may be nominated. Notification of the change must be given to the Chief Steward prior to the calf, heifer or in milk 2 year old entering the ring.
9. Proof of age of any youth handler may be requested from time to time by the Ring Steward.
10. Any additional fees imposed by both Waikato A & P Show & New Zealand Dairy Event or levies collected for a third party remain the responsibility of the owner.
11. Rules should be read in conjunction with the Next Generation Sale rules.
12. The Organising Committee reserves the right to review and amend the rules at any time. Committee members; Matt Satherley, Duncan Pipe (027 264 9527), Wendy Harker, Brian Robinson (027 241 0051) Heather Fowlie (027 452 1416) & NZDE Representatives

## LEADING PROVIDERS OF ANIMAL HEALTH AND FARM PRODUCTION PLANNING SERVICES

By working closely with clients to identify their animal health and performance goals we aim to develop farm-specific animal health programmes and strategies.

Providing tailored advice based on best practice and best science.

Offering a comprehensive range of dairy health services, advice, and support:

- Herd reproductive management
- Milk quality management
- Lameness management
- Ambulatory response calls
- Nutritional management
- Replacement rearing
- General disease prevention
- Affiliated with Tararua Breeding Centre

<b>FMG 2024 JUNIOR JERSEY HONORABLE MENTION</b>	

# WHY JERSEYS?

**+13%**  
*Milk Fat*

per KG Liveweight

**+09%**  
*Milk Solids*

per KG Liveweight

**+18%**  
*Efficiency*

at Converting Feed

The Jersey cow returns a **better per kilo liveweight** comparison over all other breeds in milk fat, protein and milk solids. She also delivers **greater breeding values** than other dairy breeds. Jerseys are **faster to milk** and have greater calving ease, with the **highest fertility** breeding value. When stocked at optimal rates, Jerseys produce approx **8% more profit** than its closest competitor, making it the **sustainable choice of breed**.

## Sustainable

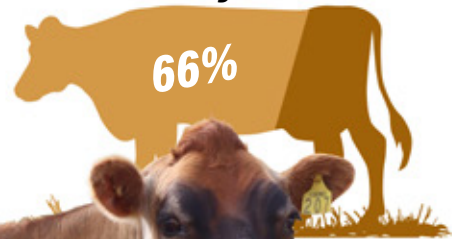

- Greater efficiency, great profit
- Higher rate of dry matter to milk
- Higher heat tolerance
- More environmentally friendly
- Lower gas emission
- Lower nitrogen levels

## OAD MILKING

**Jerseys are the most adaptable breed for once-a-day milking, due to...**

- Better udder conformation
- Higher milk solid percentages
- Able to carry 24 hours of milk production

**66%** of Jerseys Already Carry The A2A2 Gene

# Under the pump?

Here are some questions that can help you get through.

- Am I getting enough sleep?
- Am I talking to someone about what's on my mind?
- Am I eating well and keeping physically active?
- Am I having down-time to recharge?
- Do I have a list of what is realistic to achieve each day?

Using these questions to lock in small changes can make a big difference.

Sam Whitelock

# Oceans of experience on the land

## SoilNUTRITION

Unlock the fertiliser already in your soil.

AgriSea Soil Nutrition is a conditioner which will feed your biology, improve soil structure & fertility. An active and diverse soil biology ensures an ongoing feed source for your pasture and animals. Minerals and nutrients already in your soil become bio-available to your pasture.

## PastureNUTRITION

Pasture Nutrition delivers an instant nutrient lift directly to your pasture. Feed availability & quality significantly impact your overall animal health, production and profitability.

Applying AgriSea Pasture Health direct to the leaf increases chlorophyll levels delivering greener, healthier pastures and crops, & a considerable lift in the fibre, protein and overall nutritional value. The best part is the improved health of your stock due access to grass that is so high in nutritional value!

# PROBIOTIC REVOLUTION

-  Rumen stabilisation to improve rumen pH - reducing the risk of Sub Acute Ruminant Acidosis (SARA).
-  Increased fibre breakdown and feed utilisation with potential to reduce feed costs.
-  Increased availability of microbial protein.
-  Selected strains of probiotic bacteria formulated to assist in improving general herd health, immune function, reduce cell count and mastitis.
-  NIL milk withhold
-  Unmatched-strength, combination probiotic

## RUMiCELL

” THIS AUTUMN I STOPPED USING ANTIBIOTICS FOR MASTITIS AND DOSED 25 COWS THAT HAD A CELL COUNT OVER 900,000 AND FOLLOWED UP WITH RUMICELL IN THE HERD..

BY MAY, THOSE 25 COWS WERE UNDER 250,000!!  
BY MID-OCTOBER MASTITIS CASES ARE DOWN FROM OVER 20% TO 5% WITH A 90% CURE RATE FROM AN EXTRA DOSE OF BOVINE BOOST PROBIOTICS “

-  Concentrated levels of yeast that stimulates cellulose digesting bacteria, improving fibre digestibility.
-  Micro-encapsulated bacteria strengthening the natural defense system helping calves cope with stress and disease challenge.
-  Improved feed utilisation. Directly affecting intake volumes and energy levels.
-  Calf Xtreme is organic registered and 100% natural with NIL meat withhold.

## CALF Xtreme

” CALF XTREME HAS BEEN A LIFE CHANGER FOR US!! CALVES DRINKING HIGHER VOLUMES OF MILK, ON ONCE A DAY EARLIER, EATING MEAL EARLIER & WEANED EARLIER = WINNING ALL ROUND!! “

” MY CALVES HAVE TO BE THE BEST I'VE REARED IN MY WHOLE CAREER! EVEN BEING HIT WITH CRYPTO THEY SEEMED TO BOUNCE BACK WAY FASTER THAN I ANTICIPATED. I LOVE THE FACT ITS NOT JUST A PRODUCT BUT THE AFTER SALES AND INITIAL SALES MADE ME FEEL I HAD EXTRA SUPPORT AND HELP AT ANY TIME. “

# GAIN<sup>®</sup> The Advantage

- Fresh cut lucerne and freshly kibbled barley with a vitamin and mineral supplement
- Develops bigger, healthier, productive calves and other ruminants
- No weaning check
- High energy: ME - 12.2MJ/kg

GAIN<sup>®</sup> encourages full stomach development and improves enzyme activity, establishing correct gut microflora. The digestible fibre contains superior protein and is highly palatable, providing sustained growth and optimal health.

**In seven weeks, calves are physically developed and ready to graze, while other ruminants advance quickly.**

Fiber Fresh products are available from quality equine and rural suppliers nationwide.

HOLSTEIN

FRIESIAN

THE

MOST

VALUABLE

BREED

Whether you're breeding for dairy or beef, Holstein Friesians take the cake for high performance and value.

Not only do Holstein Friesians have excellent fertility, but the calves they produce are more valuable in any market.

And when it comes to adding value to your business, Holstein Friesians are superior in converting feed to milksolids - producing more milk fat and protein per cow.

Add value to your herd by farming Holstein Friesians.

**Holstein Friesian New Zealand**

## Hardworking collar, hardworking deals

We know, it's hard work, and you've never worked harder, so we've worked hard on our plans and payment structure to help take the pressure off, and let New Zealand's most trusted collar monitoring do some hard work for you.

- ▶ New **full subscription** pricing per cow per month. No upfront costs. Price guaranteed for 5 years.
- ▶ A limited number of heat detection Starter Plans from \$2.55\* per cow per month  
*\*based on 500-999 herd size*
- ▶ A limited number of SenseHub Intelligate-S drafting gates. Smaller footprint, drafting off the collar and entry-level pricing, \$34,900 + GST. *\*T&C apply*
- ▶ 24 month finance, 0% deposit, 0% interest on gates and extra hardware
- ▶ Extra 2% discount when you purchase via your Farm Source account

Come and chat to the SenseHub Sales Specialist team about the right plan for your farm.

NZ Dairy Event at Manfield Events Centre in Fielding on 22rd - 24th January 2024.
