Dear Exhibitor,

On behalf of the New Zealand Dairy Event's Management Committee in conjunction with Manawatu A & P Association, I would like to invite all breed enthusiasts to participate in this prestigious national dairy event.

Considerable work has been carried out by the committee to ensure those attending will be well catered for, and we believe you will have a memorable and enjoyable time.

The magnificent Manfeild Agri-Centre facilities are second to none and I believe are the best in the Southern Hemisphere for exhibiting cattle. This is not an ordinary show - make no mistake about that! With the amazing facilities, it certainly attracts the very best cattle from all around New Zealand.

We once again have a very challenging program for our 14th annual event with features that will take this year's event to an even higher level.

We have continued with our focus being on the farming youth of our country, as we all know, they are our future. Like the 2023 event, and as requested by the Breed Societies, all the youth cattle entries are included into their respective Breed Sections as well as the All-Breeds Section of the Dairy Event. All non-youth entries from the respective breed sections will also be included in the All-Breeds section. This is on the proviso that only animals placed 1st to 6th will compete in All-Breeds classes.

Youth Team Challenge

Youth Challenge Teams will be required to submit with their entry the following details:

- a. Name of the team
- b. Names of the individual team members

Entries for the 2024 NZDE should be submitted electronically to

entriesnzdairevent@gmail.com

Invoices will be generated by the Manawatu A&P Office.

NZDE has made the following addition to entry requirements:

- c. *"Animals eligible for showing at the NZDE must be registered with their individual breed society and comply with their individual breed society rules for association showing awards."*

No prize money will be offered at the 2024 NZDE except for the Youth Challenge. This permits the NZDE to keep entry fees at a reasonable level.

The Summer Sensation Sale will feature again. If you want to consign an animal(s) for this sale please do not hesitate to contact us. Contact details are found at the end of this letter.

Manfeild Agri-Centre is ideally situated for exhibitors from both islands to attend. The venue is only 15 minutes from Palmerston North, regarded as the Agri-hub of New Zealand

If you have any further enquiries, please contact either:

GENERAL RULES & NOTICES

To be run under the Rules of the Manawatu A & P Association Show Rules and Regulations <http://www.ras.org.nz/wp-content/uploads/2013/06/Showing-Rules-Regulations-2015.pdf>.

YOUTH SHOW:

1. *Youth Exhibitors* must be aged under 18 years as at the 01/01/2023. All animals entered in the Youth Section are eligible to be shown in their respective Breed but must be entered and led by the Youth Exhibitor in all the sections.
2. *Handlers Classes*: Only calves and yearlings are to be used, also the same animal cannot be used by more than one exhibitor/handler.
3. *Team Challenge*: This event is for non-professionals; in this context a professional is a person that travels from or to other countries to prepare cattle for sale or shows and is paid for his/her services.

ALL NZ SHOW:

1. The one Entry fee per animal automatically enters that animal in all classes it is eligible.
2. The NZ Dairy Event Management Committee reserves the right to amalgamate classes with insufficient entries or extend classes with very large entries, any decision made by the committee will be final.

LATE ENTRIES:

May be accepted. Acceptance will be at the discretion of the NZ Dairy Event Management Committee.

1. All accepted late entries will be subject to a late entry fee of Class entry fee + 50% ie. \$30 + 50%, Total \$45.
2. Replacement within a class is permitted but between classes is not permitted.

SUBSTITUTES:

1. These will only be accepted for cattle in the same breed and same aged class.

CLIPPING FRAMES:

1. These are permitted, there is a charge of \$100 + GST for a frame site/per frame and the frame will be situated next to your cattle.
2. Clipping space must be booked and paid for on the entry form. If not booked and paid for at time of entry no frame will be permitted to be erected.
3. To be fair to all exhibitors, clipping frames must be erected in the space allocated by the committee, not where the exhibitor thinks it should be.
4. A limit of 2 clipping frames per isle.

STRAW /BEDDING:

1. Each isle will be allocated sawdust.
2. Sawdust is available for bedding; however, straw can be used at exhibitor's own cost.

EARLY ARRIVING CATTLE

1. Exhibitors that are travelling extreme distances will be permitted to enter Manfeild early by approval from Lawrence Satherley Ph: 06 325 8354 or Chief Steward Jamie Cunningham (027)5833533 Contact must be made to either Lawrence or Jamie with day & time of arrival for approval. All other exhibitors will be able to enter Manfeild on Saturday 21st of January 2024.

RULES:

2. Any alteration of conformation of cattle as per the Manawatu A & P Assn rules will be considered malpractice and could be disqualified from the Event.
3. It is expected all exhibitors will always keep their stalls clean and tidy and encourage those that want to dress up their stalls please do so.
4. All rubbish is to be placed in the rubbish bins provided and all cattle waste, saw-dust, shavings etc. to be placed in the allocated/signed areas.
5. Exhibitors are asked to **NOT** bring large bales of baleage inside the stadium.
6. No dogs allowed in the stadium, day, or night.
7. Unacceptable behavior, drunkenness & under-age drinking will not be permitted. Alcohol is not to be visual to the public.
8. No glassware/glass bottles are allowed inside the stadium.
9. These are magnificent facilities; with the level of visitors, we need to keep our image at all time's first class! ***"Failure to respect the facility could jeopardize our event for the future."***
10. As a Mansfield requirement there is to be **NO GLASS BOTTLES** on the premises

BY-LAWS:

1. All cattle in the breed sections must be entered in the name of the bona-fide owner.
2. The date of birth of all breeding cattle must be stated at the time of entry.
3. The age of cattle shall be computed as of 1st June. NB: As the age of all cattle is determined from the 1st of June in each year, all animals shall be deemed to be one year older on this date.
4. All cattle entered in the Breed and Youth classes, if one-year-old or over, must be entered in the recognized Herd Book of the breed concerned. If under one year of age, they must be eligible for entry.
5. *Addition to by-laws as approved by the NZDE:*
 - *"Animals eligible for showing at NZDE must be registered with their individual breed society and comply with their individual breed society rules for association showing awards."*

NZDE 2024 - CODE OF PRACTICE:

The NZDE Management Committee have determined the following Codes of Practice under the rules of The Royal Agricultural Society (RAS) Link to latest version below

[Final RAS Dairy Cattle Show Code of Ethics - Updated June 2023 \(nzholstein.org.nz\)](https://nzholstein.org.nz)

We Strongly advise the below form be printed of an put into you show box to fill out when needed

[RAS Dairy Cattle Show Code of Ethics - Exhibitor Declaration Treatment Form June 2023 \(nzholstein.org.nz\)](https://nzholstein.org.nz)

We advise all exhibitors to also carry a copy of their Vets RVM in there show box.

The showing of registered pedigree cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of the New Zealand Dairy Event to stimulate and sustain interest in breeding registered pedigree cattle. This relates to both spectators and exhibitors. In this connection, the Management Committee of the New Zealand Dairy Event (NZDE) believes that it is in the best interests of the breeders of registered pedigree cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring.

NZDE recognizes that there are certain practices in the proper care and management of dairy cattle that are necessary while moving dairy cattle to and between shows that is advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the handling and presentation of cattle in the show ring that are unacceptable.

In keeping with the basic philosophy of the New Zealand Dairy Event, *ethics* are an individual responsibility of the owner of each animal shown. Violations of these policies are subject to the disciplinary action of the NZDE's **Rules**.

The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the showing of registered pedigree cattle.

- Misrepresenting the age and/or milking status of the animal for the class in which it is entered/shown.
- Treating the animal, particularly the udder, internally or externally with an irritant or counterirritant.
- Surgery or Insertion of foreign matter under the skin, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
- Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the animal's breed or the NZDE All NZ Show
- While all milking animals must be subject to examination, the judge/s will be instructed to closely examine the top five animals for any form of tampering requiring discrimination or disqualification.
- The following is considered to detract from the image of the show ring when carried to excess and will be given slight to serious discrimination in placing animals within a class.

This would be seen as unsportsmanlike conduct on the part of the show person.
