2027 NZ DairyEvent

All New Zealand Show

Schedule

2027

24th January to 27th January

Manfeild Stadium, Feilding.

Hello exhibitors,

The NZ DairyEvent Organising Committee is super excited to bring you all the 2027 NZ DairyEvent Show Schedule. Entries for the event will close on Monday 7th December 2026 to enable us to get all the cataloguing sorted in time.

As always, the magnificent Manfeild Stadium will be our trusted venue again however, the show pitch will have undergone a surface revamp after the previous surface got past its due date. Again, we like to attract the very best show cattle from around the country to battle it out for the title of New Zealand's best.

We're hoping to further fine tune the promotion of the event with improvements to our marketing and live-streaming around the world which should result in an even better experience for those not able to soak up the atmosphere in the stadium itself, as well as being able to leverage attention for our valued sponsors.

In the current environment it is not easy to put together a show like the NZ DairyEvent and we heavily depend on sponsorship from NZ's finest agri-businesses. I'm humbled by the support we have from these sponsors for this show, and I would like to encourage everyone of you to consider their services so we make their ongoing support worthwhile. We owe it to them!

A top team of national and international judges have agreed to come out and oversee the classes and it's great to see that they are eager to come out to NZ. If you follow us on social media you'll be able to keep up with the judges' announcements (or any other NZ DairyEvent news items) as they come to hand. These judges will be followed in their footsteps by Breed Society endorsed associates. Young, up and coming judging talent will once again have the chance to learn from the best in the business.

Our photography and publishing team will make sure that we get the right stills from all the action in the ring and beyond, and have the show results published in real-time as they happen. We're also looking forward to having our international cattle photographer present to put your prized animal in the picture.

All of the activities like the fancy dress class for the littlelies, the Youth Challenge, The SummerSensationalSale, the Youth Show and breed classes and more, will give everyone a jam-packed few days of fun and competition.

The NZ DairyEvent Organizing Committee has put in considerable work to ensure those attending will be well catered for, and we believe exhibitors and visitors alike, can look forward to a

memorable and enjoyable time catching up with one another. Check in on the NZ DairyEvent website (www.nzdairyevent.nz) for updates and general information about the show.

Get your animal(s) sorted and click on the link below to enter them before the 7th of December. We're looking forward to seeing you all in January at the 2027 New Zealand DairyEvent.

Hennie Verwaayen

NZ DairyEvent Organizing Committee chair

2027 NZ DairyEvent entries close:
Monday 7th December 2026

2027 NZ DairyEvent Show schedule

The Manfeild Stadium complex is ideally situated for exhibitors from both Islands to attend. The venue is within the Feilding town boundary, only 15 minutes from Palmerston North, the airport and most accommodation. If you require any information regarding the above, contact Lisa at the NZ DiaryEvent office at the Manfeild Stadium complex on (06) 323 1886. Although the office is not a booking agent, Lisa will be happy to point you in the right direction.

Entries

1. Entries for the 2027 NZ DairyEvent should be submitted electronically via the attached Jotform link: If necessary please copy and paste into your browser. You will receive a confirmation message when your entry has been submitted.
2. An entry will automatically qualify the exhibitor to comply with and submit to the Rules the NZ DairyEvent will run under (see General rules and Notices)
3. Invoices will be generated by the Manawatu A&P office
4. Invoices must be made prior to arrival at the venue.
5. Entries for the 2027 NZ DairyEvent **close on the 7th of December 2026** in order to give the organisers enough time to complete the show catalogue
6. No deliveries before the 21th January, deliveries must be organised with the Office Manager. Please contact Lisa on 021 336140

GENERAL RULES & NOTICES

The New Zealand DairyEvent will run under the Rules of the Manawatu A & P Association Show Rules and Regulations> Please visit the RAS website on the link below to familiarise yourself with the rules.
(see: https://www.ras.org.nz/wp-content/uploads/2022/03/Showing-Rules-Regulations-2020-21.pdf)

The showing of registered pedigree cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of the New Zealand DairyEvent to stimulate and sustain interest in breeding registered pedigree cattle. This relates to both spectators and exhibitors, as well as our sponsors. With this in mind, the NZ DairyEvent Organizing Committee believes that it is in the best interests of the breeders of registered pedigree cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring.

NZ DairyEvent Organising Committee recognizes that there are certain practices in the proper care and management of dairy cattle that are necessary while moving dairy cattle to and between shows that is vital to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the handling and presentation of cattle in the show ring that are unacceptable.

In keeping with the basic philosophy of the NZ DairyEvent, *ethics* are the individual responsibility of the owner/exhibitor of each animal shown. Violations of these responsibilities are subject to possible disciplinary action.

The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the showing of registered pedigree cattle. When carried to excess these will be given slight to serious discrimination in the placing of animals within a class and would be seen as unsportsmanlike conduct on the part of the show person.

1. Misrepresenting the age and/or milking status of the animal for the class in which it entered or shown.
1. Treating the animal, particularly the udder, internally or externally with an irritant or counterirritant.
2. Surgery, or insertion of foreign matter under the skin, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
3. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the animal, the breed or the NZ DairyEvent.
4. Setting teats or manipulation of a teat to alter its normal position such as to hold it plumb is acceptable; however, to alter its length is unacceptable and shall be regarded as malpractice.
5. It will be the responsibility of the NZ DairyEvent judges to take appropriate action if any teats are set, or in any way manipulated to an unnatural position.
6. While all milking animals must be subject to examination, the judge(s) will be instructed to closely examine the top five animals, not only for set teats but for any other form of tampering requiring discrimination or disqualification.

YOUTH SHOW:

1. *Youth Exhibitors* must be aged under 18 years as at 01/01/2027. All animals entered in the Youth Section are eligible to be shown in their respective Breed's and the All Breed's Sections and must be entered and led by the same Youth Exhibitor in all the sections.
2. *Handlers Classes:* Only calves and yearlings are to be used, also the same animal cannot be used by more than one exhibitor/handler.
3. *Team Challenge:* This event is for non-professionals; in this context a professional is a person that travels from or to New Zealand or overseas shows or sales to prepare cattle and is paid for his/her services.

DairyEvent ALL NZ SHOW:

1. The one entry fee per animal automatically enters that animal in all classes she is eligible for.

2. The NZ DairyEvent Organizing Committee reserves the right to amalgamate classes with insufficient entries or extend classes with very large numbers of entries, any decision made by the committee will be final.

LATE ENTRIES:

1. May be accepted but they will be at the sole discretion of the NZ DairyEvent Organizing Committee.
2. All accepted late entries will be subject to a late entry fee of the Class entry fee + 50%
3. Replacement within a class is permitted but between classes is not permitted
4. For any issues relating to late entries, please contact the Chief Steward Sewlwyn Donald on (027) 437 8375 or Isaac Kelsen on (027) 4297704

SUBSTITUTES:

1. Substitutes will only be accepted for cattle in the same breed and same aged class. And again, please talk to the Chief Steward about any substitutes being considered.

CLIPPING FRAMES:

1. Clipping frames are permitted, there is a charge of $100 + GST for a frame site and the frame will be situated next to your cattle.
2. Clipping space must be booked and paid for on the entry form. If not booked and paid for at time of entry no frame will be permitted to be erected.
3. To be fair to all exhibitors, clipping frames must be erected in the space allocated by the NZ DairyEvent Organizing Committee, not where the exhibitor thinks it should be.
4. There is a limit of 2 clipping frames per aisle.

STRAW /BEDDING:

1. Each isle will be allocated sawdust.
2. Sawdust is available for bedding; however, straw can be used at the exhibitor's own cost.
   Sponsor *Farm Source* (Ph: 06 323 9146) will have shavings available at the exhibitor's own cost.

EARLY ARRIVING CATTLE

Exhibitors who are traveling extreme distances will be permitted to enter the Manfeild Stadium complex earlier if need be. Please contact either Isaac Kelsen (027) 429 7704 or Chief Steward Selwyn Donald (027) 437 8375 to discuss your requirements. When contact is made, please provide the date & time of arrival for approval. All other exhibitors will be able to enter the Mansfeild complex from Friday **22nd of January 2027 from 1.00pm for set up**, stock can arrive Saturday morning onwards. This to give the organisers enough time to get the stadium setup for the event.

Additional NZ DairyEvent rules:

1. Unacceptable behavior, the use of drugs, drunkenness & under-age drinking will not be

permitted. Alcohol is not to be visual to the public and contained to your isles.

2. Manfield Park management requirements stipulate that **NO GLASS BOTTLES** are to be brought onto the premises. No glassware or glass bottles are allowed inside the stadium,
3. Any alteration of the conformation of cattle as per the Manawatu A & P Assn rules will be considered malpractice and could result in the exhibitor be disqualified from the NZ DairyEvent.
4. With general tidiness on display for DairyEvent visitors and an (inter)national audience through our Live-streaming, it is expected that all exhibitors will keep their stalls clean and tidy throughout the event. Exhibitors are also encouraged to dress up their stalls to further impress our visitors and overseas viewers. Our **Best Isle judges** will be out to find the tidiest, best displayed isle with spot prices for the best looking exhibitor isle.
5. All rubbish is to be placed in the rubbish bins provided and all cattle waste, saw-dust, shavings, straw etc. is to be placed in the allocated sign-posted area provided. **It is the exhibitor's responsibility to keep their area clean and tidy - this includes when packing out from the event.**
6. Exhibitors are asked **NOT** to bring large bales of baleage etc. inside the stadium.
7. No dogs are allowed in the stadium, day or night.

The Manfeild Stadium complex are magnificent facilities; with the level of visitors and through the live-streamed coverage of the NZ DairyEvent, we need to keep our image of being first class, at all times! ***"Failure to respect these rules could jeopardize future events"***

COMPLAINTS:

Complaints regarding the event or the behavior of a person at the NZ DairyEvent are to be made to the Manawatu A&P Office Manager as soon as possible either in person or in writing. This must be done within 10 working days from the incident occurring. Written complaints to be emailed to dairyeventnz@gmail.com

BY-LAWS:

1. All cattle in the breed sections must be entered in the name of the bonafide owner.
2. The date of birth of all breeding cattle must be stated at the time of entry.
3. The age of cattle shall be computed as of 1st June. NB: As the age of all cattle is determined from the 1st of June in each year, all animals shall be deemed to be one year older on this date.
4. All cattle entered in the Breed and Youth classes, if one-year-old or over, must have been entered in the recognized Herd Book of the breed concerned prior to the show. If under one year of age, they must be eligible for entry. Please contact your Breed Society for more information if needed.
5. An addition to by-laws as approved by the NZ DairyEvent Organising Committee:

   "Animals eligible for showing at the NZ DairyEvent must be registered with their individual Breed Society and comply with their individual breed society rules for association showing awards"

TB TESTING & NAIT REQUIREMENTS:

1. All cattle including calves & yearlings entered for the DairyEvent must be from a TB free and

Accredited herd and tested within the Opsri Regulations of the animals' region.

2. Cattle from a TB free and accredited herd within a declared movement control area must be tested and passed within 60 days of movement. ***A copy of the test certificate must accompany all Animals***
3. Checks will be made for TB declaration cards on stock arrival.
4. A NAIT approved RFID tag is mandatory for all movements of cattle, including calves. NAIT regulations for ear tagging is one registered NAIT tag per animal for animals 30 days or older.
5. It is the exhibitors' responsibility to record all animal movements with NAIT 48 hours prior to leaving the farm/property for the DairyEvent and then within 48 hours of returning to the farm/property from the DairyEvent.
6. The animals must be transferred to the (***Manawatu A & P NAIT number - 443920***) for this event.
7. ALL cattle must have Animal Health Board or Birth ID Tags
8. The DairyEvent Organizing Committee will inspect animal identification to establish TB and NAIT status.

STALLING OF ENTRIES:

1. In the event of cataloged entries not being exhibited at the Show, the Chief Steward shall have the right to re-allocate such stall spaces.
2. Feed receptacles will not be provided.
3. Exhibitors wishing to feed meal or dry feed should bring suitable containers with them.
4. Hoses will be located at the end of each row in the stadium. A water trough needs to be supplied by the exhibitor and is not to be shared between exhibitors to prevent the spread of transmissible disease (like M-Bovis).
5. Please ensure that the area around the water supply at each row is kept dry to prevent it turning into a 'bog' area. You will be reminded of your responsibilities and asked to see to any leaking hoses or troughs immediately.
6. The Chief Steward along with the NZ DairyEvent Organizing Committee reserves the right to ask any exhibitor to leave the event if they fail to comply with the rules of both the NZ DairyEvent and Manfeild Park.

HEALTH AND SAFETY:

1. All exhibitors and visitors are expected to comply with the Health and Safety Act 2015.
2. All exhibitors and visitors are expected to comply with any National Health regulations at the time of the DairyEvent.
3. A shed meeting will be held at the start of the event to outline evacuation procedures and update exhibitors on any additional procedures or instructions. The **shed meeting is scheduled for 5.30pm Sunday 24th of January.**

   In the event of an emergency, exhibitors are asked to follow the instructions of the NZ DairyEvent Organizing Committee members, Manawatu & West Coast A&P Members and/or Manfeild Park staff.
4. Exhibitors will be asked for their Current First Aid certification (if they have one) on the Entry Form. This will assist the NZ DairyEvent Organizing Committee with the Health & Safety aspects at the event.

5. Electrical equipment must be approved for use by a registered electrician and carry an 'Electrical Safety Test'-label valid for the period of the event. The NZ DairyEvent Organizing Committee strongly advises that, to avoid disappointment, exhibitors get electrical equipment tested before arriving.

SHED MEETING:

1. A Shed Meeting will be held at the start of the NZ DairyEvent:
   5.30pm Sunday 24th of January 2027
2. Attendance from all exhibitors and supporters is ***compulsory*** at this meeting to make sure everyone is up-to-date with the latest on the show.
